

# PUBLIC MEETING

## JULY 26 AT 6:30PM

RH TERRELL RECREATION CENTER, 155 L STREET NW

The Office of the Deputy Mayor for Planning and Economic Development (DMPED) invites you to the second community engagement in the OurRFP process regarding the redevelopment of the District-owned site located at 1010 North Capitol Street NW and 33 K Street NW in the Northwest One neighborhood. The site is part of the New Communities Initiative, a District program focused on creating vibrant mixed-income and mixed used neighborhoods.

The purpose of this second engagement is to reconnect with the community about its ideas shared at the June 21st Workshop and Online Engagement Forum. Community members will also be provided an opportunity to further prioritize their preferences for the redevelopment of the site.
