Development teams competing for the opportunity to redevelop the 3.5 acre site known as Northwest One (33 K Street, NW, formerly Temple Courts) and 1010 North Capitol Street, NW), will present their proposals to residents and the community.

- The OurRFP input was incorporated into an RFP that was released on September 22, 2016, and closed December 15, 2016.
- Northwest One is part of the District's New Communities Initiative, established to revitalize severely distressed subsidized and public housing into vibrant mixed-income communities.
